

Project Progress Report - Map Widgets

Group Name : 1-5

Members: Azri Bin Mohamed Yasin (U099018U)
Ananthan (U090084X)

What have we done:

- Display map
- zoom the map
- The logic to pan the map
- The logic for Locating the map

What we have yet to do:

- Implement the Panning
- implement locating the map functionality
- come up with the logic for painting and also implement the functionality

Timeline till presentation - 16/4/2013

Date	Action
07/04/2012	Complete Panning, Locating functions
09/04/2012	Logic for painting the different countries
12/04/2012	Implement the paint functionality
15/042012	Testing and debugging and addition of extra functionalities if time permissible
