

Special Effects Video - Stressful Worker

Huang Duo
Huang Yongfeng

November 13, 2005

Storyline

- The whole video is about some imagination of an employee under stress. In his imagination, his boss comes out from the photo frame and interacts with him.

Effect Summary

- Blue screen matting
 - Ultimatte AdvantEdge Plugin for Adobe AfterEffect
- Particle effects
 - OpenGL based Wondertouch™ particleIllusion 3.0
- Image morphing
 - DebugMode WinMorph 3.01 (Freeware)
 - Algorithm is based on the paper “Feature-Based Image Metamorphosis”.

Project Approach

- Pick some techniques learnt from the first few lectures
- Explore new methods introduced in the later lectures to enhance existing or add in new effects.

Planning and Execution

- Storyboard is an important guideline throughout the project.
- Minor changes are applied during the real movie shooting.

Q&A
